**The Auburn Interfaith Food Closet** is a non-profit, public benefit corporation, supported by churches and community members. Religious congregations which vote to participate by contributing food, funds, and volunteer time may send up to two people to be members of the Board of Directors. Currently there are 18 churches participating in this way. The Auburn Interfaith Food Closet is a volunteer-run organization which provides food to those in need once every 30 days. This is described as “emergency food” and consists of at least 9 meals per person in the family.

**The Gathering Inn** offers homeless people in our community the basic necessities of life, a sense of dignity and a spirit of hope for the future by providing our guests with social, health and case management services that will help them become active participants in our community to the best of their ability. With intake sites offered by a network of more than 60 churches, these “Inns” provide guests with access to showering, clean clothes, hot meals, and a place to relax.

**The Auburn Presbyterian Church Youth Program** is the driving force behind M4S. Our small church youth group is focused on local community outreach in the Placer County, California region. We are blessed to be a blessing.
